

GODIN PROMES COOKER

The Promes slow combustion stove offers real versatility for the most discerning cook. A generous, solidly built, cast iron oven provides a constant and efficient heat, the spacious cook top offers ample space for the largest pots and a roomy storage drawer for cooking utensils. The Promes boasts two fabulous, large glass doors allowing you to enjoy the flames in the wood box and monitor your cooking in the oven. With this beautiful stove you'll enjoy all the comforts of home in the timeless tradition of a Godin creation.
